Fifth Grade of Central School.

The fifth grade of the Central school gave a delightful twelve o'clock luncheon Wednesday, to which I was invited, and under the shade of those old trees where I have so often sat, my youth was renewed, and in memory the faces of long ago recalled, and in the faces of some of the children reproduced. Mrs. A. A. Sims, the beloved teacher, was assisted by Miss Frankie Eastland of the first grade in serving the children. The boys scampered around and found a long table and benches. Soon everyone was seated, forty-two pupils. Little Elizabeth Smith and John Caswell Winston were guests. After God's blessing was asked upon the teacher and pupils, all were helped to sandwiches with pickles (how those children love pickles). Then great trays of delicious cake were brought out, and two large buckets of ice cold lemonade. Every child was as orderly and polite as if at home at the family board. We thought this was all, and enough, but lo, great trays of fruit—bananas, oranges and apples were produced, and every child well helped. Everything was in perfect order and everybody happy, none more so than the teacher, who holds the affection of each heart. I heard many little love talks about her, and know this is true. Soon it was all over—the boys put the table and benches away, the girls washed the dishes, and everything was again in neatness on the ground.

"Long, long, be my heart with such memories filled,
Like the vase in which roses have been distilled,
You may break, you may shatter, the vase if you will
But the scent of the roses will hang 'round it still."

Brides' Club.

Mrs. Lizzie Jackson Davenport entertained the Brides' Club at her residence on South Sycamore street Thursday afternoon. The brides, as usual, brought their needlework and mending. A pleasant afternoon was spent. Mrs. Davenport served a delicious luncheon.

Complimentary.

Mrs. J. G. Barry entertained her friends Wednesday afternoon, complimentary to her sister, Mrs. Stadman, of Marshall. An elegant two-course luncheon was served and a delightful time enjoyed.

Novelty Club.

Mrs. D. J. Price entertained the Novelty Club Wednesday afternoon. Forty-two was the feature of entertainment. After the playing a lovely two-course luncheon was served.

Bayview Reading Club.

The Bayview Reading Club met with Mrs. E. A. Jackson Wednesday afternoon in a call meeting. The meeting was for the purpose of electing officers for the coming club year, and the following were elected:

President—Mrs. R. M. Lawson.
Vice President—Mrs. H. A. Everett.
Secretary—Mrs. J. C. Duncan.

Corresponding Secretary—Mrs. A. E. Jackson.

Treasurer—Mrs. George Endell.
The club year has closed for the Bayview Readers, but in the fall they will bloom again.

O. B. S. Entertainment.

On Thursday night at Masonic Hall Palestine Chapter Order Eastern Star entertained as their guest Mrs. Caragh Johnson, the grand matron of Texas. Mrs. Johnson has been reviewing chapters for the past eleven weeks and paid this, one of the youngest chapters in the state, a high compliment on the proficiency in their work. The hall proper, also the banquet room and parlor, were beautiful with cut flowers and ferns and a bower of smilax and flowers made a pretty picture as the ladies were ushered into the refreshment room, and pretty girls served fruit nectar during the social hour. Dainty refreshments of cream and cake were served also.

Mr. and Mrs. Robt. Gibson are visiting Palestine, their old home.

On account of dead phones our column is cut short, and we are sorry for it.

The Dixie Club met Saturday afternoon with Miss Olive Denman. The lesson was the third lesson from Sydney Lanier.

The Self Culture ladies did a very nice business with the Majestic Friday afternoon and night, a good crowd being present.

The heavy rain on Wednesday played havoc with some of the lovely planned social affairs. At one place the guests stayed until far in the night, but all enjoyed that.

Mrs. Will Irving had as her guest for the week Mrs. Johnson, grand matron of the Order Eastern Star. Mrs. Johnson had engagements with several chapters north of Palestine, but was detained on account of washouts on the I. & G. N.

SUNDAY SERVICES AT THE LOCAL CHURCHES.

Does This Fit Your Case?
Some people never or rarely attend Sunday school, much less the preaching services. This should not be. It will not hurt any man, and might do him good, to lay his paper aside and spend an hour at Sunday school each Sunday morning.—Annona News.

The habit of churchgoing and Sunday school attendance is one that certainly should be more generally formed. No man is doing his full duty, either to himself or his community, who neglects indorsing by his presence the efforts of the preachers and church people to maintain a high level of morality and cleanliness in public and private life. The churches are in-

stitutions that deserve the financial and personal support of every man who loves his country or his kind.—Galveston News.

All of which is true; there are hundreds, yes, thousands of people in Palestine who do not attend Sunday school. You will be given a hearty welcome at any of the local churches at the Sunday school and church services. Make the start tomorrow. The Christian church can take care of a thousand more people in its Sunday school. Won't you come?

RAPID RISE.

The rapid rise of the Tyler Commercial College of Tyler, Texas, in public favor is shown by the tremendous number of students enrolling from over half the states in the Union. Graduates of this famous institution holding good salaried positions are receiving enormous dividends on the money they paid out only a few months ago for their practical education. Buy a scholarship for a course of Bookkeeping, Business Training, Shorthand, Typewriting or Telegraphy in this institution; it will prove the best investment of your life. There is absolutely no speculation in buying a scholarship for one or more of these courses; they are worth over 100 cents on the dollar. The valuable knowledge obtained while in this practical school will be used throughout life. Shrewd, far-sighted business men are desiring T. C. C. graduates for their offices; they realize their training is modern and thorough. The famous Byrne Simplified Short-

hand which we teach is as simple as A, B, C, and complete from A to Z. It meets the needs for rapid work with speed to spare; it fits into any business as though it were made to order; there is nothing but what can be written readily and read with ease with the Byrne Simplified. It has overturned all shorthand traditions and precedents, broken all records in the shorthand world—set up a new standard of results.

The Byrne Practical Bookkeeping and Business Training is equally superior to other systems as is the shorthand. Keep your eye on the famous Byrne Simplified Shorthand and Practical Bookkeeping until you master a thorough course. It does not cost as much to get these modern, practical systems in a school with a world-wide reputation as it does inferior systems in other schools. Write for beautifully illustrated catalogue containing convincing facts of the superiority of the systems and methods used in qualifying our students for the best positions and of placing our graduates in them. Our telegraphy department is the only one in this state that teaches station work by means of a train wire of a trunk line railroad and the use of every blank used in their freight and passenger work. Address Tyler Commercial College, Tyler, Texas, for catalogue, stating which of the courses you are interested in.

SPECIAL NOTICE TO TELEPHONE SUBSCRIBERS.

We earnestly request our patrons to refrain from leaving the receivers off the hook, and disconnecting their telephones in time of storm.

Your telephones are amply protected by the lightning arrestor placed on each telephone. If you leave the receiver off the hook you can expect your telephone to be cut out. When you disconnect your telephone you endanger your property and do so at your own risk. We endeavor to give you steady service, and during the storm on the 13th inst., when most public utility companies were out of business, we gave service to all of our patrons, except about 100, and more than 50 of these were cut out because they left their receivers off the hook.
